Larsen et al.  
Serial No.: 10/076,025

### REMARKS

Applicants are submitting this amendment in response to the Notice of Non-Compliant Amendment, mailed 8/25/2004 and respectfully request that the Examiner consider this amendment, in which the issue regarding claim numbering is addressed, in place of the previously filed April 23, 2004 amendment.

Accordingly, claims 1-15 have been canceled without prejudice or disclaimer. The new claims presented contain the subject matter that the Examiner deemed allowable in the last office action and address any 112 rejections and objections. In particular, claims 28-30 track old claims 6-9.

It is respectfully submitted that the present amendment presents no new issues or new matter and places this case in condition for allowance. Reconsideration of the application in view of the above amendments and the following remarks is requested.
